

A strategic partnership.

Easily Accept Payments Within Procure

An all-in-one solution to manage your daycare.

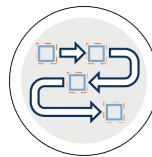

Kiddie Academy and Fortis have partnered to provide franchisees with an integrated payment acceptance solution to help maximize revenue and streamline operations.

Features

Seamless Integration

The Fortis and Procure integration allows you to collect payments and manage your daycare all from one place.

Quick Onboarding

Minimize interruptions with seamless setup, and installation so you can allocate more time to your daycare.

Transparent Pricing

Choose from pricing options that work best for your business without worrying about hidden fees or long-term contracts.

Easy Acceptance

Allow families to pay how they want by accepting multiple payment types, in-store, online or on the go.

Next-Day Funding

Receive your funds quickly with next-day funding options available to you at no extra cost.

24/7 Support

Extraordinary customer service and dedicated support teams you can count on at any time of day.

Start accepting payments within Procure and sign up with Fortis today!
