fortis + VORTX

A strategic partnership.

Easily Accept Payments Within Vortx

## An all-in-one solution to manage your eCommerce business.

Vortx and Fortis have partnered to provide users with an integrated payment acceptance solution to help lower costs and improve your workflow.

Features

Seamless Integration
The Fortis and Vortx integration allows you to collect payments and manage daily operations all from one place.

Quick Onboarding
Minimize interruptions with seamless setup, and installation so you can allocate more time to your business.

Transparent Pricing
Choose from pricing options that work best for your business without worrying about hidden fees or long-term contracts.

Easy Acceptance
Allow your customers to pay how they want by accepting multiple payment types, in-store, online or on the go.

Next-Day Funding
Receive your funds quickly with next-day funding options available to you at no extra cost.

24/7 Support
Extraordinary customer service and dedicated support teams you can count on at any time of day.

Start accepting payments within Vortx and sign up with Fortis today!
